

Home skills	<p>This week can you help to make you bed each morning? Maybe you could try and take your bedding off to be washed and put a clean pillow case back on.</p>	<p>Can you help do some gardening? You may be able to pull out some weeds, plant some new bedding plants, mow the lawn, water the plants.</p>
Art/science	<p>We are going to use a fish to make some prints. This is an old Japanese art technique called gyotaku.</p> <ul style="list-style-type: none"> • Thin down some paint with water and PVA glue and paint one side of the fish. • Lay the fish on a piece of paper and lightly press all over so the whole of the fish makes contact. • Carefully remove the fish – you should be able to see the scales and fins in the print. 	<p>Exploring musical instruments. Do you have any instruments at home you could play or make your own band with your family. You could use recycled boxes, kitchen roll tubes, elastic bands etc to make your own instruments.</p>  
Literacy	<p>Story Focus: Barry the fish with fingers.</p> <p>https://www.youtube.com/watch?v=Ewsgwi-wM4w</p>	<p>Buy a whole fresh fish and explore what it looks like and how it feels. Can you use some super adjectives to describe what it is like? Remember to use all of your senses (touch, sight, smell, hear, taste – once cooked!).</p>
Physical	<p>Put on your favourite music and enjoy moving and dancing along to it.</p> 	<p>Together go a for a walk and listen to the nature around you. What can you hear? Birds singing, leaves rustling in the wind, dogs barking.</p>
Maths	<p>Patterns- can you find any items around your house or in your garden that has a pattern e.g wallpaper, a stripy t-shirt, bricks on your house.</p> 	<p>If you have some threading beads you could have a go at the attached sheets to see if you could copy the pattern. Then have a go at cutting out the coloured circles and making your own repeating patterns.</p> <p>Have a go at this pattern game on the computer https://www.topmarks.co.uk/ordering-and-sequencing/shape-patterns</p>

Feel free to dip in and out of these ideas and share any photos or messages with me about how you have got on...I'll be looking out for a Star of the Week.
