

Dear Parents

We are beginning preparations our Comic Relief celebrations on **Friday, 15th March** 2019.

We would love our students to **come wearing red and bring a donation** to support our fundraising attempts.

A special **Comic Relief bakery** will take place on the Friday morning. **Please join us between 10.30 and 11.30am** for some delicious treats.

In classes, **students will be making cakes** and we will have a Springwater Bake Off competition at lunchtime, followed by an opportunity to buy some of these wonderful goodies in the afternoon and enjoy them with their classmates. There will be an Enterprise table and games to play, so **please send your child/young person in with some pennies to be able to get involved in the activities.**

Thank you for helping us to make Comic Relief a memorable occasion for the young people and **follow Facebook** for pictures of the events on the day.

Best wishes,

Kelly Tomlinson
