

Communication and Language Explorers: Pirates and the Sea

Pretend you are a pirate on a boat with your parent or carer. What might you see? How might you feel way out at sea? Can you talk like a pirate? 'ooohhhh arrgghhh'

PSED

Let's go Camping

Set up tents, dens, sleeping bags and hideaways for the children to explore inside or out in the garden. Take a torch and camera and pretend you are explorers!

Art and Design

Physical Development Hide and Seek

Introduce the game Hide-and-Seek, if the children are not already familiar with it. Ask the children to think about places that would be good to hide inside and outside the setting.

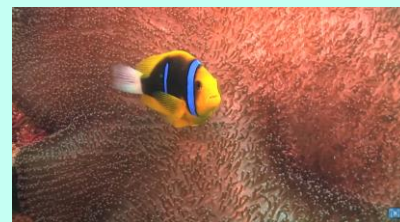

Maybe you could hide shiny items outside and go on a treasure hunt too!

Literacy Buried Treasure

Bury gold coins in sand or maybe outside in the soil. See how quickly the children can find them - Hide up to 10 coins!

Maths Lego Monsters.

Can you choose a number card from 5 to 10 and make a monster with that number of bricks? Count out the bricks you are going to use first to check you have the right amount!
