

NHS Survey

Specialist Children's Services (SCS) provided by Harrogate & District NHS Foundation Trust (covering both Harrogate & Rural District and Hambleton, Richmondshire & Whitby districts) are undergoing a service review.

To inform the themes for stakeholder events, they are currently data gathering and are collating additional service user experience feedback. The survey is now available for completion using the link.

<http://www.hdft.nhs.uk/childrens-survey>

Specialist Children's Services would like to hear from families/ carers of children/ young people within the area who use/ have used our services. It includes services such as Physiotherapy and Special School Nurses.

The survey will be anonymous and the information collected will be used to help develop their services for 2019 and beyond.
