

## Communication and language

Our nursery rhyme of the week is 'Miss Polly had a Dolly'

Can you pretend to be a nurse or doctor and make the Dolly better?

You could use red sticky dots for spots and use a handbag as a doctor's bag.

What would you say to the dolly to make them feel better?

## PSHE

Make a card for you Mum or carer for Mother's Day. Talk about what they do for you and make sure you tell them you love them! Here are some simple ideas for cards.

Here is a fun Mother's Day song to listen to!

## Art and Design

Make some heart shaped biscuits.

<https://recipes.sainsburys.co.uk/recipes/baking/easy-biscuits>.

Decorate them with sprinkles or chocolate buttons. (choose your Mums favourite and give her them as a present for Mothers Day!)

## Physical Development

Provide play tents and tunnels of different shapes, sizes and materials for children to crawl into, sit inside and explore.

Observe

- Can the children move in and out of the tents and tunnels?
- Can they use their bodies in different ways? For example, shuffling, crawling, bending and squatting.

Primary Home Learning  
Spring 2 Week 3  
Topic: 'Can we explore it?'

## Understanding the World

Have you got any shoe boxes at home? Can you cut a hand-sized hole in the top of a number of shoeboxes and hide a variety of weird and wonderful things inside. You might want to try things like tapioca, frozen peas, marshmallows or mud.

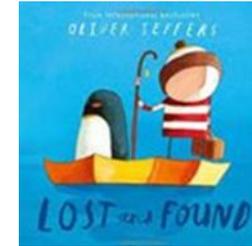

How do they feel about putting their hands in? Can they describe what Each item feels like?

## Literacy

Read or watch the story 'Lost and Found'

<https://www.youtube.com/watch?v=B33hZSjye00>

Can you join in with the repetitive phrases. Do you remember what comes next? What about joining in with the actions? We looked at this book last week too so you should be familiar with it now!

## Maths

Hide numbers to 10 around your house and garden. Can your child find them all and put them in the right order with some help? Can you count things around you like cushions, television remotes, cups etc?
