

8<sup>th</sup> January 2020

Dear Parents, Carers and Friends

I would like to take this opportunity to wish everyone a Happy and Healthy New Year.

With health and safety in mind and, as a priority we have now installed an enclosed walkway from our main school entrance up to the High Street which eliminates walking across the school car park unless you are parked on it. Please can you use this walk way to access school whether you are walking from the Knaresborough or Harrogate side of school. Please do this, at all times, whether you are on your own or with your child. This allows vehicles such as school transport to reverse without risk to pedestrians.

Thank you for your co operation and support with this.

Regards

*Sarah*
