

Communication and language

Read or watch Macavity's Not There!

<https://www.youtube.com/watch?v=vhWfJ1GQt3M>

Talk about rhyming words- encourage children to repeat rhyming words.

Can you move like a cat? Can you crawl and pounce? Can you Miaow like a cat?

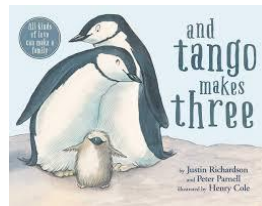

PSHE

Read 'And Tango Makes Three' a true story about a same sex penguin couple who raised a baby.

<https://www.youtube.com/watch?v=4uOXUCiDe-s>

Think about what babies need to be looked after well. If you had a doll or teddy you can pretend they are real and feed them, love them and help them sleep.

Art and Design

Can you make a penguin out of old boxes and bottles like these or try some ideas of your own to make one! Have fun, explore and be creative. You could also make some papier Mache eggs and look after them like the two Dads did in the story. Here is a recipe.

<https://www.bbcgoodfood.com/howto/guide/how-make-paper-mache>

Physical Development

Can you use spades, spoons, forks etc to make holes and tunnels in soil, sand or snow?

Primary Home Learning
Spring 2 Week 1
Topic: 'Can we explore it?'

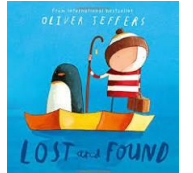

Understanding the World

Make a little book about penguins. Think about what they eat, where they live, what they look like etc. Use the internet to find information and pictures to print or draw as well as different books and videos.

Literacy

Read or watch the story 'Lost and Found' - use props such as a blanket for the waves, shiny materials for stars, a toy penguin, a boat to bring the story to life. Have a go at writing your own version of the story. Use different pens and pencils to make marks and tell an adult what it says.

<https://www.youtube.com/watch?v=B33hZSjye00>

Maths

Find lots of cardboard and plastic tubes of different lengths and widths around the house. Explore them by putting your hands inside and looking through them. Ask 'Which is the shortest tube?' and 'Which is the longest tube?' Can you put them in size order from shortest to longest?
