

## Caring for the environment / John Muir / Forest School

It's the time of year when we start growing plants! You can either go shopping and buy some seeds or find some seeds in fruit or vegetables you already have at home. Watch this video to show you how to grow a tomato plant from the seeds inside a real tomato.

## Creative Activities / Business Enterprise

With Easter coming up why not make something you could give to a loved one as a gift. Simply fill a jam jar with yellow sweets and screw the lid on. Then add paper wings, feet, a beak and little black eyes. And there you have a little chick!

## Preparation for work

Think about the types of jobs you would like to do in the future. Think about what you are good at and what you need to improve - it's not good choosing window cleaning if you don't like climbing ladders for example.

Watch this video and see if you can guess the jobs!

## Independent Living Skills Being Healthy

Have a look at this video about healthy foods. Which of them have you tried? Why not go to the shop and choose 2 of them that you have never tried before or maybe that you think you don't like and try making something delicious with them. For example use avocado to make guacamole dip!

### Keeping Safe

When you go for a walk with your parent or carer why don't you be the leader. Show them how to stay safe as if you are teaching them. Think about how to cross the road, how to wear a face mask in a shop without being reminded. How to look after the house keys etc.

## Preparing Drinks and Snacks / Shop, Cook, Eat

Have you ever tried making sweet potato toast? It's delicious and all you need to do is slice it and pop it in your toaster. Watch this video to help you!

## 6th Form Home Learning Spring 2 Week 3

### Functional Maths

Can you make some counting bottles like these? These ones have added coloured tape and used coloured pom poms so you not only have to count but you have to sort the colours out too!

### Functional Literacy

Do you have any lego or duplo in your house?  
Can you make your name using bricks like this?  
If you can make your first name why not try making your surname too?
