## **Dear Parents and Carers**

Following a review of our school meal prices there will be a slight increase in the cost of a school meal from £3.00 to £3.35

Though we recognise that families may face challenging financial circumstances at the moment, we still feel the meal provided in school represents excellent value for money.

Coupled with this, the North Yorkshire County Caterers are rigorous in their attention to our individual school needs and look after your child's dietary needs extremely well.

The new cost is effective from the start of this term and has been applied on Parent Pay.

We thank you for your continued support.

Yours faithfully

Sarah Edwards
